

Beating the Bully

With ethical tactics.

At Field Aikido we train children to be safer by using a bully's force against him with no need to be aggressive, bigger, stronger, or faster.

Your child will learn to defend in a non-competitive, non-aggressive way. We foster the development of high skill levels, whilst nurturing strong attitudes of co-operation and mutual growth.

Bring your child (7 to 12 yr olds) along to Field Aikido, Level 1 227 High St., Prahran, at 5pm on the first Tuesday of the state school term. The class fee is for the term (equivalent to \$10 per 1 hour class).

Instructor: Michael Field Sensei headmaster of Iwama Ryu Aikido Australia. Australia's most experienced professional Aikido teacher.
